How This Funder Gives

The Ausherman Family Foundation Inc, based in Maryland, gives steadily, 465 in all on its 2024 return, most between \$512 and \$5,000. The money stays regional, Maryland first with 383 grants, then Pennsylvania, Virginia, and Montana. Total giving stands at \$3.2 million. It maintains a website; look there for how the funding works before you invest time.

Grant Size by Sector

Grants of FY2020–FY2024. Box spans the middle half of grants (25th–75th percentile); the red line marks the median; whiskers span the 10th–90th percentile. Covers the 101 classified grants in the sectors shown (465 grants total in the period; grants without a sector classification and sectors with fewer than 5 grants omitted).
